**OUR 3 LEGACIES
NOVEMBER**

11

STEP ELEVEN

Recovery

Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.

TRADITION ELEVEN

Unity

Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.

CONCEPT ELEVEN

Service

The trustees should always have the best possible committees, corporate service directors, executives, staffs, and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern.

STEP 11

I Seek Therefore I Find

It is said that arriving at a destination is irrelevant and the only thing that truly matters is the journey getting there. How very true this statement is for me in regards to forging a strong connection with my Higher Power. It has been a long arduous spiritual walk as I wander my way on a life long quest to fully bask in the warm loving light of my Higher Power. Step eleven, for me, looks like the slow development of "spiritual eyes."

At first, like any newborn baby, I was practically blind and the light of spirituality was so painfully bright. Then, over time as I practice living the program, I began to adjust to things spiritual and the light exposure became incrementally less painful. The more I used my "eyes" to focus on matters spiritual, the stronger they got and the clearer the input. This is my experience with a spiritual awakening. Allowing my Higher Power to give me new "eyes" has provided a clarity about myself and my place in this grand design of life that was previously beyond my comprehension. For me, getting close to my Higher Power has been a series of circumstances in which I have had no other option than to put forth all my trust into my Higher Power's protection, guidance, and assistance.

The illusion of the "flimsy reed" to grab is a favorite picture my lying mind loves to flood me with to elicit my fear, perpetuate my mistrust, and keep me as distant from my Higher Power as possible. My disease is like that! Luckily for me, the actual truth is that whenever I reach out my hand to my Higher Power with a tiny bit of trust, my effort is rewarded with a firm grip so I do not fall.

Substitute Coordinator: We selected 2 candidates. Ann R. has completed training and has already covered 2 shifts. Thank you, Ann! We will begin training our other substitute, Regina, very soon. This coverage should ensure that Central Office can remain open if either Elissa or I are not available.

Website Updates: You can now contribute directly to the Christmas and NYE Alcothons via AATucson.org! Use the "Get Involved" dropdown menu and select "Service Work". Links to the Venmo accounts for both committees are available there.

New Meeting Schedules: It is time for new printed meeting schedules! Please check your group or meeting listing on the website and inform Central Office of any discrepancies. We plan to order the Fall/Winter 2024 schedules at the end of October.

Home Answering Service: We have shifts available so please share this at meetings and with anyone interested in being of service. Please refer them to Central Office for more information at 520-882-7422 or by email at info@aatucson.org.

JFT: is still being printed at Central Office and those with subscriptions will receive it in the mail. We are keeping a supply available in the office for those interested in picking up a copy. And a copy will be uploaded to the website.
